The Miracle League Mural Painting Project

Clark County School District School-Community Partnership Program and Curriculum and Professional Development are proud to partner with The Miracle League to offer art students a unique opportunity.

The Miracle League is a non-profit organization that provides opportunities for children with disabilities to play Miracle League baseball. They promote the construction of special facilities that meet the unique needs of Miracle League players and their families. Please go to www.miracleleague.com and www.miracleleaguelasvegas.com to find out more about this wonderful organization.

Las Vegas will be the next community to build a Miracle League Field. First Christian Church has donated land at 101 S. Rancho, funding will be provided by the Engelstad Family Foundation, a construction firm has been secured, and they will break ground on April 9, 2009. Around this field is a 560 foot cinder block wall. We are asking art classes and clubs to design and submit a plan that could be painted on the wall. From these submissions, fifty-six designs will be chosen. The mural painting project will take place on a Saturday (TBD around October) in the fall of 2009. Students will need to provide their own transportation.

Theme: MAKING MIRACLES

(The Miracle League uses a "buddy" system – pairing each player with an able-bodied peer.) Pictures that reflect friendship, baseball, the buddy system, families, sharing etc. would all fit this theme.

Size: The mural space will be 10 feet in length by 6 feet in height. A 1 foot dividing section will be used for school identification and signatures.

Media: Each participating teacher will receive a \$100.00 gift card to Dick Blicks to purchase supplies. The wall will be primed and ready for painting.

Submission: On or before May 15, 2009, interested teachers may submit one colored drawing on an 8.5x11 or 9x14 sheet of paper. Submissions may be sent through district mail to:
