13. DINNERS
14. ORBITS

"Keep Moving" Pledge

During this time, we encourage our players to keep moving,
– whether that's at home, with your family or
in a safe place outside.

The goal is to move and get your heart rate up.

Find 30 minutes a day to keep moving,
stay healthy and think positive.

Put on some music and dance around the house,
move your arms to get your heart rate up.

Grab the leash and walk the dog, kick the soccer ball,
throw the baseball with a buddy.

Make healthy food choices and limit screen time.

We want to keep all of our players in top shape for our
Fall season!

Your team needs you!

Have a buddy or parent sign the bottom to affirm that you have read
this pledge. Bring this signed page to "check in" at a Fall game for
your "Keep Moving" reward!

Buddy or Parent Signature: _____
