LOVE on the SPECTRUM

We are looking for **WOMEN aged 18-30** who live near **LAS VEGAS / HENDERSON, NV** who are SINGLE and interested in meeting a young man on the spectrum for a date. The commitment could be as little as half a day.

You could be autistic yourself, or not autistic but open to dating someone who is. We will only match people who are on a similar wavelength. The autism spectrum is incredibly diverse, just like the neurotypical population!

If you or someone you know might be interested in speaking with us, please send an email with a brief description of yourself (and a photo) to:
